History of Lamprey Summits

Since Lamprey Summit I in 2004, partners have convened every 4 to 5 years to revisit the science and current status of Pacific Lamprey and recommit to working collaboratively to preserve this culturally and ecologically important species.

Lamprey Summit V

The Pacific Lamprey Conservation Initiative is pleased to convene Lamprey Summit V where parties will come together to present and learn about the five-year update to the Pacific Lamprey Assessment and recommit to the updated Pacific Lamprey Conservation Agreement. Participants will discuss ongoing and completed research and restoration activities, and strategize on collaborative opportunities on behalf of Pacific Lamprey conservation for the next five years.

Location

Both Lamprey Summit V and the 6th Annual Lamprey Information Exchange will be held in Miller Hall at the World Forestry Center (4033 SW Canyon Rd, Portland, OR 97221).

Registration

All Summit participants **must register by COB Dec 5th** using the following link: <https://forms.gle/Vrmhb5c2pZEHv7ur8>
